PROFILE

Dedicated and innovative Teacher of Computer Science with QTS and a First Class Honours degree, currently leading a Computing department independently across KS3 to A Level. Passionate about making Computer Science engaging and accessible for all students through active, technology-driven pedagogy. Builder of interactive curriculum-aligned learning tools, with a strong background in SEND support, curriculum design, assessment, and safeguarding. Brings real-world leadership and professional experience from a diverse career prior to teaching.

EXPERIENCE

Computing Teacher | Abbotsholme School, Staffordshire

January 2025 – Present

- Sole Computing teacher, independently managing the entire department with no departmental support across KS3 to A Level.
- Redesigned the full Computing curriculum from scratch, improving structure, engagement and outcomes across all year groups.
- Developed and deployed an interactive online learning games platform for students, covering bubble sort, binary, logic gates, and search algorithms.
- Work extensively with SEND students including those with ASD and ADHD, applying adaptive and inclusive teaching strategies.
- Deliver and oversee formal assessments and examinations, ensuring academic integrity and adherence to school policy.
- Promote safeguarding, online safety and digital wellbeing across all year groups.

Supply Teacher (Computing) | Zen Educate

September 2024 – January 2025

- Delivered computing lessons across multiple secondary schools in Nottingham, adapting quickly to different environments and student needs.
- Managed classroom behaviour effectively across diverse settings, maintaining positive and productive learning environments.
- Supported SEND students through adaptive teaching and one-to-one guidance.

Student Teacher – PGCE/QTS Computer Science | Birmingham Newman University

August 2024 – June 2025

- Planned and delivered engaging Computer Science lessons aligned with the national curriculum across secondary school placements.
- Completed extensive training in safeguarding, behaviour management, and inclusive education.
- Awarded Qualified Teacher Status, October 2025.

Teaching Assistant | University of Derby

September 2022 – June 2023

- Supported lecturers in the delivery of Computer Science and Mathematics modules.
- Assisted individual students and small groups, using technology to enhance engagement.

Freelance Web Developer | Self-Employed

September 2022 – September 2025

- Designed and developed websites for clients using HTML, CSS, JavaScript, React, Next.js, Node.js and Python.
- Managed multiple projects simultaneously, communicating clearly with clients and delivering to deadlines.

Rehabilitation Support Worker | Derby City Council

January 2021 – September 2022

- Supported vulnerable adults with daily living, mobility, medication and personal care in sensitive, high-responsibility environments.

Manager | Mata Logistics Ltd (Amazon Subcontractor)

July 2016 – December 2019

- Managed a team of courier drivers, overseeing recruitment, training, health and safety, KPI monitoring and administration.

- Developed strong organisational, time management and leadership skills under pressure.

EDUCATION
