PROFILE

QTS-qualified Computer Science teacher with a First Class Honours degree and experience delivering sole Computing provision across KS3 to A Level. Previous responsibilities include curriculum redesign, assessment, examinations and inclusive teaching for students with SEND. Builds interactive education software and brings safeguarding experience, technical subject knowledge and team-management experience to teaching and curriculum leadership.

TEACHING AND LEADERSHIP STRENGTHS

KS3–A Level Computing | Curriculum planning and assessment | Adaptive teaching and SEND support | Safeguarding and online safety | Classroom management | Interactive learning resources

TEACHING EXPERIENCE

Chilwell School

July 2026 – Present

Computing Teacher | Abbotsholme School

January 2025 – June 2026

- Served as the sole Computing teacher across KS3 to A Level, independently managing departmental provision without departmental support.
- Redesigned the Computing curriculum, establishing a structured sequence of learning across year groups.
- Developed and used an online learning-games platform covering binary, logic gates, bubble sort and search algorithms.
- Applied adaptive and inclusive teaching strategies for SEND learners, including students with ASD and ADHD.
- Delivered formal assessments and oversaw examinations in line with school policy and academic-integrity requirements.
- Promoted safeguarding, online safety and digital wellbeing across year groups.

Supply Teacher (Computing) | Zen Educate

September 2024 – January 2025

- Delivered Computing lessons across secondary schools in Nottingham, adapting to different school environments and student needs.
- Managed classroom behaviour and supported SEND learners through adaptive teaching and one-to-one guidance.

Student Teacher — PGCE/QTS Computer Science

Birmingham Newman University | August 2024 – June 2025

- Planned and delivered secondary Computer Science lessons aligned with the national curriculum during school placements.
- Completed training in safeguarding, behaviour management and inclusive education; QTS awarded October 2025.

Teaching Assistant | University of Derby

September 2022 – June 2023

- Supported lecturers in Computer Science and Mathematics, assisting individual students and small groups with technology-supported learning.
